ABOUT

This dataset is a summary of county-level data on revenues, population, and fire impact over several years.

DATA CREATION RANGE

2013-2019

PRODUCED BY

California Open Data

SOURCE

<https://data.ca.gov/dataset/county-revenues-per-capita/resource/23563900-3873-4e38-8c5b-e315146ece18>

USE CASE

Evaluating the economic impact of wildfires on local governments

Evaluate the financial impact of wildfires on county revenues and resource allocation

Analyze whether more densely populated counties experience more frequent wildfires
